child to learn

Move to Learn Seminar Sydney

An experiential class for Teachers, Parents, Carers and Therapists

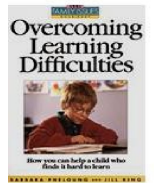

8 January 2016, 9.00 - 4.00pm

The Move to Learn Program offers simple and inexpensive solutions to support your child or class with development and learning readiness.

Supported by initial research findings (Uni of Sydney 2005 & 2007).

What you will learn:

- ∞ Movements and neuro-developmental connections
- ∞ Understand the what and why of learning difficulties
- ∞ Explore Sensory Processing & Primitive reflexes
- ∞ How to identify Primitive Reflexes and the impact on learning, emotional resilience, attention and behaviour
- ∞ Learn the easy Move to Learn Program
- ∞ Explore applications for school and home use

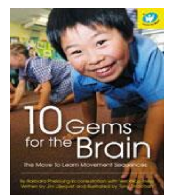

Location: Warrawee though venue subject to change

Cost: \$180 Early Bird **when paid in full by December 23rd**
\$220 after December 23rd

Seminar includes:

- ☺ Ten Gems for the Brain Booklet
- ☺ Includes morning tea ~ BYO Lunch
- ☺ Additional Resources
- ☺ Activities and games
