

Move to Learn Seminar MtL

- For teachers parents caregivers

Thursday 8th MARCH 2012 9 -3.00pm

Presented by Veronica Steer OT vsteer@bigpond.net.au

Learn how to use the easy sequence of MtL movements with your class or your child at home to assist their learning, development, maturation and mastery.

A low / no cost program that makes students easier to teach & more ready to learn.

Supported by initial research findings (Uni of Sydney 2005 & 2007).

Understand each of the sequences, their role and how they are based on child and brain development.
