

MELBOURNE MOVE TO LEARN WORKSHOP

The Quest Apartments, Mont Albert
741-745 Whitehorse Road

Monday 19th February, 2018
9.15am to 3.45pm

Who should attend?

The training workshop is designed for Teachers, Tutors, Early Childhood Teachers, OT's, Speech & Language Therapist, parents and caregivers of children who are delayed in their motor coordination and learning.

What is Move to Learn?

This 1 day Seminar in Move to Learn will provide participants with:

- What is Move to Learn & who founded the programme
- Why and how the Move to Learn program was developed
- How learning difficulties manifest
- Brief overview of the sensory system, including Primitive Reflexes and the Vestibular (balance)

Participants will learn about the Senses and how partially retained Primitive and under developed Postural Reflexes can affect learning and motor coordination.

Who is making the Presentation?

Jenny Cluning has a background in Health and Fitness. She is a Certified Move to Learn Practitioner in Melbourne and also trained in Bilateral Integration, INPP, Extra Lesson, Rhythmic Movement, and the Johansen Sound Therapy program. Through her training and experience, she has a unique insight into the needs of children, their parents, and the support they both require to achieve a high level of life skills.

This course is mostly practical work and participants should wear loose clothing that allows ease of movement.

Cost \$225.00 (includes morning & afternoon teas, copy of 10 Gems for the Brain, and handouts)
