

Julia Dive is our contact for the South Coast of NSW.

She has been working closely with primary school children for over 20 years and has been employed as a Teacher's Aide Special since 1996. After school she runs a movement program for primary school children with learning difficulties and also tutors high school maths students.

Currently studying for a Graduate Diploma in Learning Difficulties, Julia has been successfully implementing Barbara Pheloung's Move to Learn program since 1998 and is happy to advise or re-direct enquiries appropriately.
