Venue SKAMP Hall 22 Falls Road Lesmurdie
Behind the carpark next to the tennis courts.

PRACTITIONERS & TRAINERS share with you...

10 Gems for the Brain - The Move to Learn sequences designed to optimise learning for educational success. Discover some of the causes as to why children who have normal or above average intelligence are still having difficulty in various areas of learning and how MTL has been implemented in schools in W.A. HOW the MTL programme can assist in the integration of primitive reflexes leading to improved balance and bilateral co-ordination.

PLEASE WEAR CLOTHING SUITABLE FOR MOVEMENT

Move to Learn in WA can invoice participants once the registration form is received.
